- MRT 132 EUR
- Travel 169 EUR
- BICOM BodyCheck 59 EUR

Please note: All prices are without VAT and valid for the technical service mentioned below. Worn out parts and any spare parts needed will be charged extra.

Important note: Due to full capacity in the technical department the following devices cannot be checked in Fulda: **BICOM versions 2.3, 3.2, 4.0a, 4.1u and Multicom.** If interested kindly contact your local representative or us directly.

Language version of your device: English German other _____

Replace battery? * yes no if necessary

*mandatory field

Device number: * _____ (The number can be found on the back side of the device)

The technical service covers the basic check which includes the following:

1. Inspection of all mechanical and electrical functions of the BICOM device
2. Check / re-adjustment of all technical parameters
3. Safety test and device software

Please include your mains charger as this also needs to undergo a technical safety check!

Technical Check of the BICOM BodyCheck: Functional and safety check.
Please bring the complete set of all accessories including the laptop (preferably in the suitcase)!

Unfortunately it is not possible to give a quotation on repairs in Fulda due to the lack of time.

Additionally the following check or repair should be carried out:

You can drop off your device starting Thursday 2nd May from 3 pm at the technical service counter in the Maritim Schlosshotel, Fulda.
